

DeMolay International LOGO & EMBLEM Usage

Official DeMolay International Logo For the Web and other uses

The Official Logo of DeMolay. Should appear on all official DeMolay web sites and official DeMolay publications. Please read the following guidelines before using the graphics provided on this page.

Guidelines

- The DeMolay International logo should only be used on web sites that represent DeMolay, and should not be used for commercial purposes.
- The DeMolay International logo may be used either as a static graphic or as a hyperlink, but only to the DeMolay.org Home Page (<http://www.demolay.org/>).
- The logo should be used in tact without being obstructed or obscured, including deletion or modification of the "TM" symbol.
- Do not use the graphics on this page for print publications; printable graphics are available from our **print graphics download page**.
- Please download these graphics and upload them to your web site for your use. Do not link to the files on the DeMolay.org server as they may be renamed or moved without notice.
- If you need to resize or otherwise modify any of these graphics, please read our information on **modifying graphics**.
- The colors of the logo should not be changed, even when placing it on a colored background. When placing the logo on a colored background, an outline or glow may be added for effect.
